

Delivery includes IR remote control!

## EMV 200 S – 2-Channel Mobile H.264 Digital Video Recorder with GPS Receiver

### Features

- H.264 compression format
- Real time full D1 recording up to 50 IPS
- Plug & play SD card recording (for SD card V 3.3, SD card not included)
- 2 alarm inputs, 1 alarm output
- GPS receiver and IR remote control included
- GPS and USB 2.0 interface for connection of external modules
- Shock and vibration-proof Sub-D connection
- Compact size for easy installation
- Ethernet interface for remote network viewing and controlling
- Integrated acceleration sensor

### Technical data

Video format	PAL / NTSC (auto detection)
Operating system	Embedded Linux
Video input	2 inputs 1 Vp-p composite PAL, BNC, D-Sub connector with BNC adapter cable, 75 Ohm termination
Video output	1 x composite main monitor output, 1 Vp-p at 75 Ohm, D-Sub connector with BNC adapter cable, 75 Ohm termination
Video compression	H.264
Storage	SD card interface for optional SD card type SD/SDHC/SDXC, 64 GB max.
Recording resolution	720 x 576 / 720 x 288 / 360 x 288
Recording rate	1 ~50 IPS for all resolutions
Recording modes	Continuous or event recording
Playback search	Via date/time or event(alarm / GPS)
GPS support	External GPS receiver, included
Video loss detection	Yes
Alarm input	2 alarm inputs NO/NC
Alarm output	1 relay output
Audio input	1 mono (line) input
Audio output	1 mono (line) output
Setup	On-screen menu with graphic user interface (GUI), optimised for display on small size monitors
Control	IR remote control, USB mouse control
Timer	Built-in real time clock with automatic time synchronisation via global NTP server through Internet, automatic daylight saving time
Archive	To USB-flash stick via USB 2.0 interface, removable SD card
Ethernet	RJ45 socket, 10/100 Mbps
Interfaces	1 x USB 2.0, 1 x RS-232 (PS 2 socket for GPS)
Password protection	3 levels
Watchdog function	Yes
Power source	10 ~ 32 V DC (surge protection, delay on/off)
Ambient temperature	-10°C ~ +55°C (operation) // -40°C ~ +85°C (storage)
Dimensions (WxHxD)	131 x 38,4 x 153 mm
Weight	600 g

### Ordering information

EMV 200	2-channel H.264 mobile digital video recorder with GPS receiver, 10 ~ 32 V DC (230 V AC power supply <b>not</b> included) Storage: SD card interface for optional SD card 3.3 V (32 GB max.)
