

End of Manufacture (EoM) Notification) for Kantech KT-400 and KT-400 Kits

Notification Date: July 15, 2024

Dear Customer,

This letter serves as an official notification that, Johnson Controls is ceasing the manufacturing of the Kantech KT-400 and KT-400 Kits beginning December of 2024. After that time inventory will be available until stock is depleted (service stock will be maintained separately).

Product Lifecycle Milestones	Effective Date
End of Manufacture – Date by when the last product will be produced at our manufacturing facilities. Inventory available for sale (Subject to change based on material availability)	December 31st, 2024
End of Sale – Date that product will no longer be available, and no new orders will be accepted. Inventory depleted and service stock will continue.	March 31st 2025
End of Support – Last date of technical support, critical firmware patches, and repair services. After this date we will make best efforts to provide support and repair services.	December 2029

Below is the list of full model numbers being phased out with the recommended replacement models. Service parts, such as replacement power supplies and connector kits, will be available for the duration of the support period, subject to availability.

Old Product Code	New KT-4 Description	New Product Code
KT-400	KT-4 IP Controller, CAB,LOCK,ACC	KT-4
KT-400-ACC	Universal Accessory Kit for all controllers	KT-ACC
KT-400-CAB	4 DOOR BLACK METAL CABINET with Lock	KT-4-CAB
KT-400-CABEU	4 DOOR BLACK METAL CABINET with Lock	KT-4-CABEU
KT-400-CON	Connector Kit for KT-4, KT-400 and KT-2	KT-CON
KT-400-EU	KT-4 IP Controller, CAB,LOCK,ACC,EUROPE ONLY	KT-4-EU
KT-400-LA	4 KT-4 IP Controller, CAB,LOCK,ACC,LATAM	KT-4-LA

KT-400-PCB	KT-4 IP Controller PCB only with ACC	KT-4-PCB
N/A	KT-4 IP Controller with WiFi,CAB,ACC	KT-4-WIFI
N/A	POE++ module for KT-4 Controller	KT-4-POE
N/A	WiFi Board and WiFi Antenna for KT-4 Controller	KT-4-MOD-WIFI
N/A	POE++ module for KT-4 Controller	KT-4-MOD-POE
EK-400-SCM	EK-4 with Readers (4) Mullion Smart Card	EK-4-SCM
EK-400-SCSG	EK-4 with Readers (4) Single Gang Smart Card	EK-4-SCSG
EK-400-MTM	EK-4 with Readers (4) Mullion Multi-Tech	EK-4-MTM
EK-400-MTSG	EK-4 with Readers (4) Single Gang Multi-Tech	EK-4-MTSG
SK-CE-400-SCM	SK-KIT/KT-4,EPCE,MUL-SC Reader (4)	SK-CE-4-SCM
SK-CE-400-SCSG	SK-KIT/KT-4,EPCE,SG-SC Reader (4)	SK-CE-4-SCSG
SK-SE-400-SCM	SK-KIT/KT-4,EPSE,MUL-SC Reader (4)	SK-SE-4-SCM
SK-SE-400-SCSG	SK-KIT/KT-4,EPSE,MUL-SC Reader (4)	SK-SE-4-SCM
Ek-402	EK/KT-4-M, P225XSF Reader (4),trans, power supp, batt	EK-4-P225
EK403	EK/KT-4-M, P325XSF Reader (4),trans, power supp, batt	EK-4-P325
EK-400	KT-4 Controller, CAB, transformer, battery, No Reader	EK-4
SK-CE402	EK/KT-4-M, P225XSF Reader (4),trans, power supp, batt + Software	EK-4-P225
SK-CE403	EK/KT-4-M, P325XSF Reader (4),trans, power supp, batt + Software	EK-4-P325
SK-SE402	EK/KT-4-M, P225XSF Reader (4),trans, power supp, batt + Software	EK-4-P225
SK-SE403	EK/KT-4-M, P325XSF Reader (4),trans, power supp, batt + Software	EK-4-P325

As the Kantech KT-400 is based on legacy technology, it does not incorporate the latest advancements in product cybersecurity. For customers or installations requiring a higher level of product cybersecurity, Kantech recommends the use of New KT-4 features:

- KT-4 Ethernet-ready four-door controller can be configured in two user-friendly operational modes.
- Wi-Fi or POE++ connection for convenient connectivity
- 100,000 cards and 60,000 stored events in Offline Mode
- End-to-end encryption Using Kantech's ioSmart reader and smart card
- Provides advanced access control when used with EntraPass Security Management Software or basic door security in Standalone Mode
- KT-4's Standalone Mode offers basic door security using a simple web browser without the need to connect to a host system. Alternatively, KT-4 can be used with the powerful EntraPass Security Management Software to provide more advanced and fully integrated access control features.
- KT-4 is optimized for communications with EntraPass v8.7x and higher. The KT-4 is compatible with EntraPass versions supporting the KT-400rev1. Feature varie to specific EntraPass versions.

We apologize for any inconvenience this may cause you; however, we are confident that the New Kantech KT-4 will more than satisfy your needs. Kantech teams are prepared to assist you to ensure a smooth transition. For any questions regarding this announcement, please [contact your local Kantech sales representative](#), visit www.kantech.com, or call 1(888)-KANTECH.

Yours Sincerely,

Gregg W Hollenbeck
Kantech Senior Hardware Product Manager
