

Certificate of Conformity

Product Certification Scheme 5

Certificate No. 31779-02-25-INT

This certificate applies to the products

Wireless Shock Detectors with magnetic contact detector

with names and/or type designations

PG8935

Placed on the market by

Digital Security Control

3301 Langstaff Road, Concord, Ontario, Canada L4K 4L2

Produced in the manufacturing plant by

Shanghai GES Information Technology Co. LTD

668 Li Shi Zhen Rd, 201203 Shanghai Zhangjiang Hi-Tech Park China

This certificate attests that all provisions concerning the assessment and the performance described in the standards

EN 50131-2-6:2008 and EN 50131-2-8:2016

are applied and that the products fulfils all the prescribed requirements

This Certificate is valid until 2029-06-12

Høvik, Norway 2025-06-12

For Applica Test & Certification AS

A handwritten signature in blue ink, appearing to read 'Jan Rune Pedersen'.

Jan Rune Pedersen, Certification Manager

Notice: The certificate is subject to terms and conditions overleaf. Any significant changes in design, construction of certified product and/or significant changes in production process may render this certificate invalid.

Terms and Conditions

The certificate is subject to the following terms and conditions:

- The Certificate is only valid for the products listed above.
- The products are to be used in accordance with the manufacturer installation and operation instructions.
- The Certificate remains valid based upon satisfactory bi-annual factory production control audits.
- The products listed in this certificate have been found to comply with the requirements of ISO/IEC 17065:2012 and ISO/IEC 17067:2013 for Product Certification Scheme 5.

The following may render this Certificate invalid:

- Changes in the design, construction and/or software of the products.
- Significant changes in the manufacturing plant.
- Changes in the test methods and/or factory production control requirements included in the standards, used to assess the performance of the declared characteristics.
