

Maintenance Free Rechargeable Lead Acid Battery

Technical drawings of the 10.4 inch (265 mm) wide panel, showing front, top, and side views with dimensions in inches and millimeters.

Front View: The panel is 10.4 inches (265 mm) wide and 7.09 inches (180 mm) high. It features a large central display area and two control buttons at the bottom: a square button on the left and a circular button on the right.

Top View: The panel is 10.4 inches (265 mm) wide and 3.03 inches (77 mm) high. It shows the top edge of the panel with four mounting slots.

Side View: The panel is 10.4 inches (265 mm) wide and 6.57 inches (167 mm) high. It shows the side profile of the panel with a mounting slot on the left side.

Detail View: A detailed view of the mounting bracket shows a central hole with a diameter of 0.47 inches (12 mm). The distance from the center of the hole to the top edge is 0.19 inches (4.7 mm). The distance from the center of the hole to the bottom edge is 0.21 inches (5.4 mm). The distance from the center of the hole to the right edge is 0.08 inches (2 mm).

**These data are average values obtained from three Charge/Discharge cycles. Note: These are NOT minimum values.
