

Sesame Access Co., Ltd

SB86NT

Specifications

Stainless Steel, Infrared Induction

Standard Structure: Button stainless steel panel

Output Contact: NO/NC/COM

Dimensions: 86*86*25(mm)

Max: 12V

Weight: 0.13kg

" No Touch " Letters

Overview

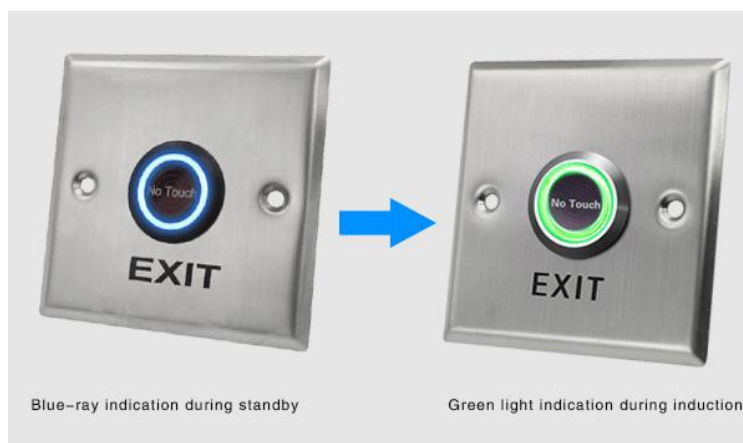

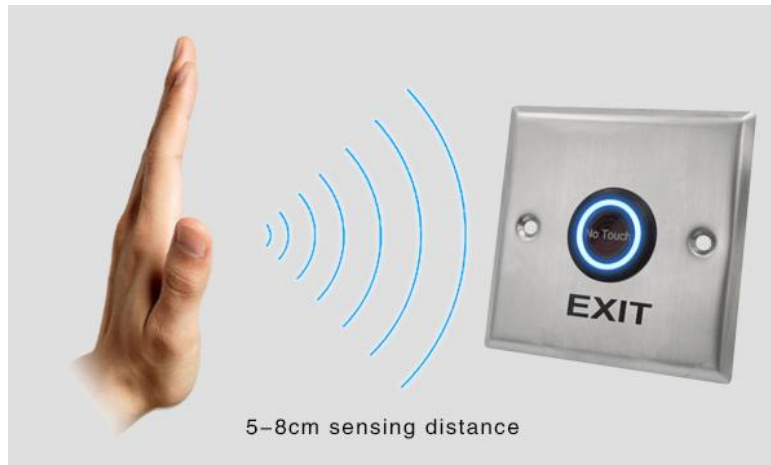

- 1.Stainless Steel, Infrared Inductio
- 2.High sensitivity sensor for fast identification
- 3.Dual LED indicator
- 4.Imported 304 stainless steel faceplate

Sesame Access Co., Ltd

5.Available option for NO/NC/COM Output

6.Imported PC plastic closure for high temperature , corrosion resistance

7.Easy installation , Long lifespan
