Dear Sir or Madam

Regulation (EC)1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) - Article 33 (1)

Honeywell is committed to its compliance with the REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) regulation. As part of our ongoing compliance commitment, we undertake processes to identify which, if any, substances of very high concern (SVHC) (meeting the criteria set out in Article 57 of REACH and included on the REACH Candidate List for further regulation), are contained within the product we supply to you.

This communication refers to the latest version of the ECHA (European Chemical Agency) Candidate List at the date of order processing, <https://echa.europa.eu/candidate-list-table>

In accordance with Article 33(1) of the REACH regulation, this communication applies to all the product(s) listed in the pages of this document. Where a product is deemed to contain one or more of the listed Substance of Very High Concern (SVHC) above 0.1% weight by weight, both the substance and its CAS number (if assigned), and safe use instructions are provided.

Sincerely,

Honeywell Product Stewardship Global Operations
